# INFOCARD MEDWAVE\_TOUCH

POWERFUL 3D SHOULDER MASSAGE COMBINED WITH CUSTOMIZED THERAPY PROGRAMS

### Medwave\_Touch

The highly effective dry water massage offers medically developed therapy programs and can be individually adjusted via the rotatable touch display to target specific complaints. The 3D shoulder massage guides the water jet precisely along the trapezius muscle, relieving stress-related tension. The optional spa dome enhances the experience with light, aroma, and meditative sounds, turning the massage into a deeply relaxing wellness treatment.
